NOTICE TO PROSPECTIVE BUYERS OF HORSES AT THIS SALE:

****ALL PROSPECTIVE BUYERS MUST REGISTER WITH THE SALES OFFICE AND RECEIVE A NUMBER PRIOR TO BIDDING.**

For All Option A yearlings (as per nomination/entry form):

All Option A consignors are liable to pay \$200.00 per horse as an "In Fee".

All "In Fees" will be placed in trust to fund the following years race and are payable by the consignor whether the consignor retains ownership by successful bid, reserve bid, or because the upset price is not met and the horse is as a result unsold.

All successful bidders (including consignors bidding on their own horse or placing reserve bids on same) will pay in addition to the purchase price of each horse the sum of \$200.00 to be known as the "Out fee".

If a horse is not sold because the upset price is not met, the consignor of such horse shall pay the \$200.00 "Out fee" in addition to the "In Fees" and minimum commission and such horse shall be eligible for the following year's race.

These "In" and "out" fees will be held by Thoroughbred Sales and forwarded to the Saskatoon Prairieland Park bookkeeper and be used to insure the value of the 2018 Thoroughbred Sales Futurity on a date to be announced.

Please note that the horses must meet all the following for eligibility to the 2018 Thoroughbred Sales Futurity:

- (1) The horse (entered under Option A as per nomination/entry form) was offered for sale at the 2017 Thoroughbred Owners and Breeders Yearling and Mixed Sale
- (2) The horse has all their fees paid at the conclusion of the 2017 Thoroughbred Owners and Breeders Yearling and Mixed Sale
(includes all Option A and Option B horses as per nomination/entry form).

The Thoroughbred Sales Committee and the Marquis Downs Race Manager will determine the 2018 Thoroughbred Sales Futurity purse, whether added or guaranteed as is deemed necessary by the availability of funds.

The purse will be determined based on the number of yearlings catalogued, the fees collected, and any additional monies that may be available from sponsors or the graded scale.

In the event that 6 or more horses of each gender are entered, the race will be split into a C&G and a Filly division. In the event that there are less than 6 horses entered in either division but the combined total equals 12 or more the race will be split by lot, resulting in 2 races with a Filly bonus (TBA) applying to each race. In the event that there is no Filly in one of the aforementioned races, the Filly bonus will apply to the race where the Fillies are entered. If no Fillies are entered in either split the Filly bonus will be added to the purse as listed in the condition book.

It is anticipated that the purse for the 2018 Thoroughbred Sales Futurity will be:

- 1) \$ 7,500 colt and gelding division
- 2) \$ 7,500 fillies division

Thoroughbred Sales places all fees in trust with Saskatoon Prairieland Park for the funding of the following year's race. The funding goal is to ensure all reasonably potential purse liabilities can be met by the gross purse funding, as will any funding not paid out from the current year. None of the funding for the gross purse is used or directed for purposes other than as indicated. All revenues and expenses for this yearling/mixed sale are borne by Thoroughbred Sales.

GOODS AND SERVICE TAX

All horses sold in this sale will be subject to the 5% G.S.T. If you have registered your horse business for G.S.T. you may be able to recover this tax when filing your next G.S.T. return.

Foreign buyers taking delivery of a horse in Canada will be charged 5% GST but may be eligible for a rebate if the horse is not used in Canada after purchasing and is exported within 60 days. On behalf of The Committee for Sustainability and Future of Horse Racing in Saskatchewan

Horse racing makes Saskatchewan's horse industry stronger. The money generated by the industry contributes to many of the things that we enjoy as horse owners. Without racing, we would have fewer equine vets, fewer farriers, fewer massage therapists and fewer fields seeded to hay and oats. Local feed stores and tack shops would have trouble staying afloat. The industry contributes to a strong foundation for all horse activities.

The overall economic contribution of the horse industry in Saskatchewan was \$723M in 2009. Horse racing specifically contributed over \$37M to the province's economy in 2010, according to a study commissioned by Equine Canada.

Over 500 people are licensed to work in the industry each year. For these people, racing is a way of life. Many families have been a part of the sport for several generations, sharing in the excitement and challenges of horse life with their children and grandchildren.

In 2016, 47.6% of horses at Marquis Downs were owned by people of First Nation or Metis heritage, who also make up 43% of trainers, 39% of owners, 25% of jockeys, 39% of pari-mutuel clerks and 40% of racing officials.

Unfortunately for all of us, racing is facing tough times in the province. The total number of starters is diminishing as Saskatchewan's purse pool is less than half that of neighbouring provinces and shrinking.

Average purses at Marquis Downs are \$3000 - \$5,500, compared to Edmonton with \$5,500 - \$20,000 or Winnipeg with \$7,500 - \$15,000.

The average earning of horses at Marquis Downs in 2016 was \$2,212. As anyone who owns a horse knows, this isn't enough money to keep a horse in training for 6 months, let alone cover the purchase price, feed, vet and farrier, or the cost to winter them.

The top earner in Saskatchewan in 2016 would have ranked 81st in Manitoba, 194th in Alberta and 202nd in British Colombia.

By participating in this auction, you are contributing to a better horse racing industry by providing a horse with a new career and a loving home. This means a lot to the breeders, owners, and trainers who loved your horse, and who have spent years breeding, raising, and training your new horse to load, to trailer, to stand for the farrier and to do tricks for peppermints.

Thank you from all of us.

Edison: Career Highlights

- **Blood-Horse (August 2014) -**

- Edison Lights Up in Canadian Derby Romp (video)**

- After setting in mid-pack early in the **Canadian Derby Stakes (Gr 3)**, Edison took charge at the quarter pole and romped to an eye-widening 11 1/2-length triumph at Northland's Park.*

- There was no catching the Florida-bred Edison through the stretch as he extended his command with each stride for the open-lengths triumph as the 5-2 second choice in the 11-horse field.*

- Bred in Florida by Destiny Oaks of Ocala, Edison was a \$950,000 purchase by Coolmore bloodstock adviser Demi O'Byrne at the 2013 Fasig-Tipton Florida March sale of selected 2-year-olds in training.*

Edison, has the sire power, a wonderful family, a good temperament and his conformation is outstanding. Rarely does a stallion prospect like this get introduced into a regional market.

Covered 24 mares in 2016 and 34 in 2017. His first foals will be yearlings in 2018.

Call for stud fee consideration regarding your mare's pedigree, race record, racing progeny, and/or multiple breedings.

Your new racehorse just off the track (OTTB) will probably need three months or more to back off from extreme fitness and re-adjust his system from the high-energy grain regimen. Normal non-racing barn routine and daily turnout will be new experiences that need to be introduced gradually.

The best of luck to all new buyers with your 2019 Challenge Prospects.
